

Theatre Arts Class

PART - I : MAKE UP

Mr. Shepard's Theatre Arts was probably the most sought after class in High School. There was great fun, and this was one of the highlights, if not the messiest !

The lesson starts.....

“Make up is an essential part of theatre....you just apply it like this ”

*“See...its so much
fun.....”*

“What did I get myself into.....?”

“Yuck !! Does this stuff come off.....?”

Some other victims.....

Ira

Ann

Barbara

*And the absolute
Masterpiece.....*

Ellen

Well, I sure taught them a GOOD lesson.....!
