## **PART - I : MAKE UP**

*Mr. Shepard's Theatre Arts was probably the most sought after class in High School. There was great fun, and this was one of the highlights, if not the messiest !*

*The lesson starts.....*

*“Make up is an essential part of theatre....you just apply it like this ”*

*“See...its so much  
fun.....”*

*“What did I get myself into.....?”*

*“Yuck !! Does this stuff come off.....?”*

*Some other victims.....*

*Ira*

*Ann*

*Barbara*

*And the absolute  
Masterpiece.....*

*Ellen*

*Well, I sure taught them a GOOD lesson.....!*
